# **EXHIBIT A**

To Honorable Judge Lorna G. Scofield, I recently recieved a letter informing me that no letter requesting compassionate was ever recieved. When in fact I wrote to you your Honor requesting 3582 motion for compassionate release. I believe I sent the letter from Brooklyn nyc sometime in January. Now I have no adequate legal representation due to the fact that Harvey Fishbein has been relief of his duties to me as my lawyer. I wrote another letter late February or early March asking you if my letter requesting compassionate release was adequately prepared for you. So to my knowledge I did send multiple letter asking if my request was in other words prepared well or sufficient enough because I am seeking a 3582 C.2 A for compassionate release due to covid and the fact that my current facility did have an outbreak and that I am in a hot zone for travel if I were released for Halfway House. To sum it all up your Honor I have no lawyer last time we did speak he told me that my medical records should still be in your possession and that you would inform me if my renewal for 3582 compassionate release was good. Please inform me of what I need to do thank you
